

# 2024 PRODUCT CATALOG

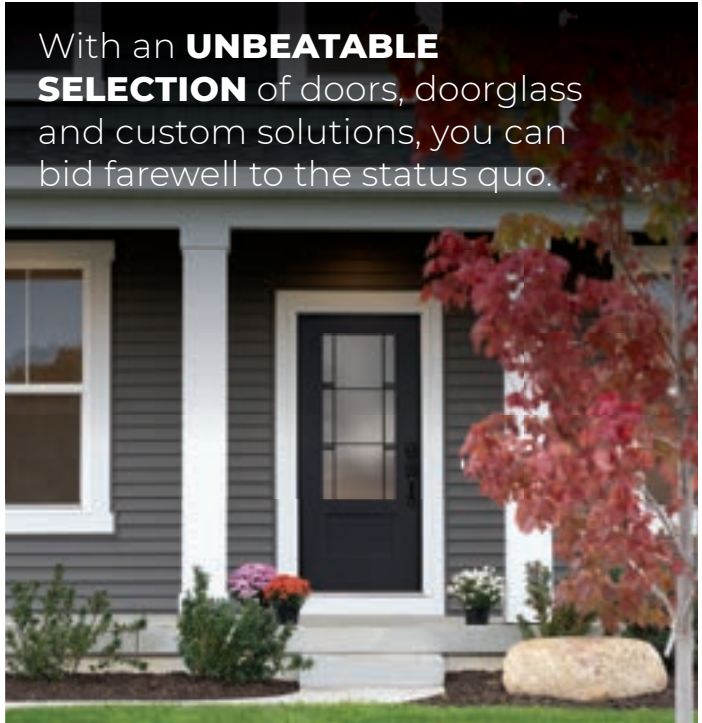

ODL MAY LOOK A LITTLE DIFFERENT,  
but we're not changing our commitment to making your life better.

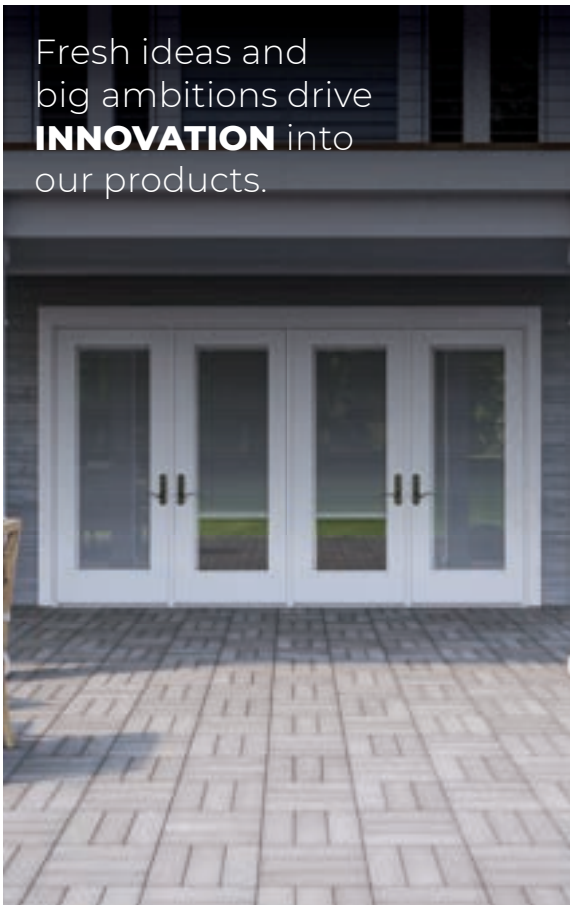

Our people set the standard in **EXCEPTIONAL CUSTOMER SERVICE** and on-time delivery.

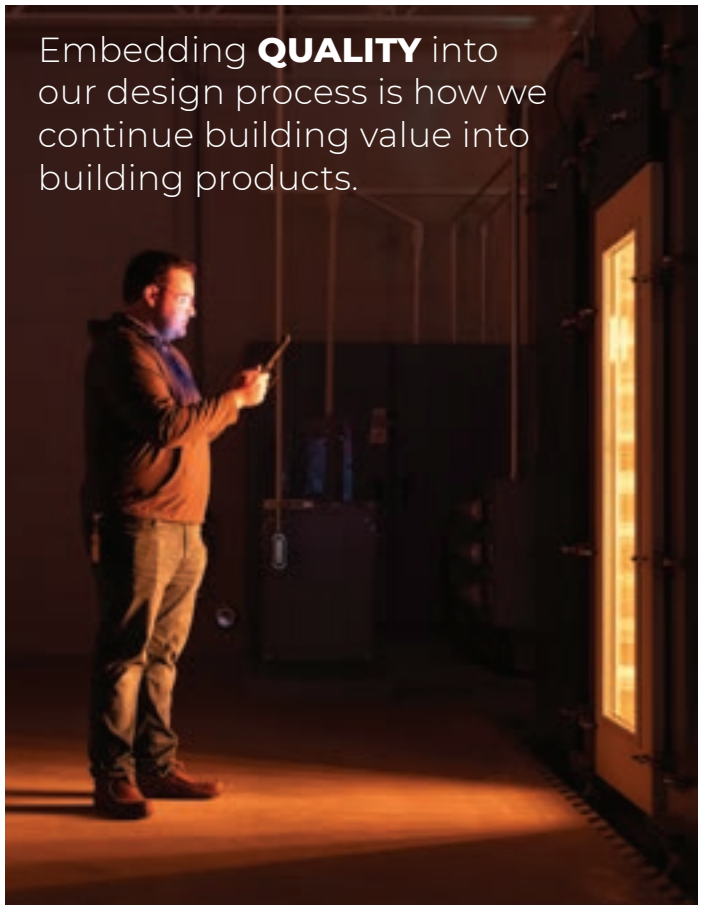

With an **UNBEATABLE SELECTION** of doors, doorglass and custom solutions, you can bid farewell to the status quo.

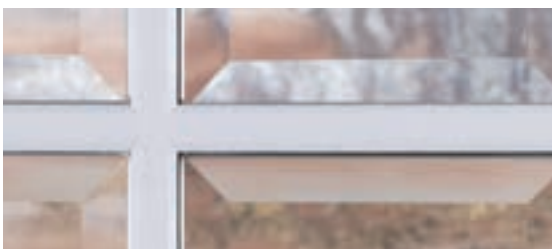

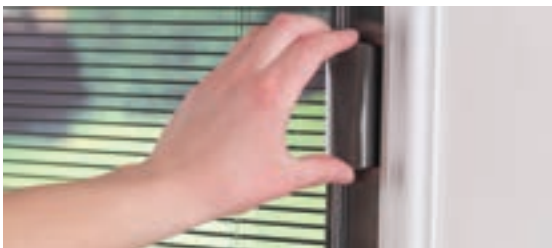

Fresh ideas and big ambitions drive **INNOVATION** into our products.

Embedding **QUALITY** into our design process is how we continue building value into building products.

### PRODUCT GUIDES

Stylized Doorglass	120
--------------------	-----

# FIBERGLASS DOORS

Never compromise durability for beauty. Good news is, we do both. We build our doors with composite, engineered lumber, which holds up against the elements for strength and longevity, and our foam core offers superior energy efficiency. Our attention to quality is reflected in 20 plus years of manufacturing in North America. ODL fiberglass doors come in three styles: Estate, Shaker, and Contemporary. Flush Glazed doors offer Shaker and Estate panel designs or opt for full view doorglass.

# STYLIZED DOORGLASS

ODL has added 13 new exciting designs to our extensive doorglass collection. High opacity privacy glass is popular, and we have three new options for our Lightscares Collection that include Cyndi, a sandblast design with simple vertical lines, Fragrance, an elegant sandblast design with horizontal lines, and Karma, textured enclosed in glass. In our Perspectives Collection we have added Baroque, a subtle wave design that filters the light. New Decorative doorglass features contemporary style camed designs inspired by clean lines with high-privacy textures and patterns that includes Berkely, Calandra, Empire, Geneva, High Point, Metro, Neo, Prestige and Sterling.

# LIGHTSCAPES COLLECTION

## PRIVACY DOORGLASS

Allow nature to light your entryway while maintaining privacy with the Lightscares Collection. From the simplicity of Blanca, Ditto and Linen, to the crisp lines of Cyndi, Fragrance and Karma, the subtle patterns in these doorlights are designed to provide high opacity. Whether you prefer contemporary or traditional design, Lightscares complements a wide variety of architecture and décor.

# CUSTOM SOLUTIONS

Our experienced and imaginative team creates custom glass designs for windows, doors and more—all hand-crafted by masters of the medium. Start with your own concept or customize one of ours for a truly unique design for your doors, windows or cabinets.

# TRANSOMS

Allow more light into your home with custom transoms. We can build any design and size to fit your entryway. Custom transoms are built with a durable composite jamb in two finishes: primed white for painting or woodgrain for staining. We also offer impact rated transoms, certified for use in Florida's High Velocity Hurricane Zones and available in a composite jamb primed white.

# BLINDS + GLASS

## ENCLOSED BLINDS

Enclosed Blinds bring an updated look, feel and finish to your entryway while keeping the same benefits of maintenance-free light and privacy control of enclosed blinds.

This latest design combines easy operating effort and long-lasting reliability that continues our over 20-year history of building the best-selling blinds between glass in the industry.

ODL is leading the industry in enclosed blinds that reduce the safety risk for children and pets. With no dangling cords, our blinds have received two certifications from the Window Covering Manufacturers Association and Parents for Window Blind Safety.

## TRIPLE-GLAZED ENCLOSED BLINDS WITH GRILLES BETWEEN GLASS

These enclosed blinds are a perfect choice for people who value energy savings and quiet. The triple-glazed design with Low-E glass option reduces heat transmission by up to 28 percent and carries a 34 STC (Sound Transmission Coefficient) rating for sound suppression. Beyond the comforts and practicalities of a triple-glazed doorglass lie stylish details, with the grilles adding a warm aesthetic. The blind slats disappear behind the valance when they are fully raised for a clean, finished look. Blinds tilt and raise and lower the entire length of the door glass.

## ADD-ON BLINDS

Add-On Blinds for doors let you control light and privacy levels with smooth fingertip control, while eliminating the dangling cords of traditional door blinds. They are easy to install, right on top of your existing door glass, and never need dusting! The cordless design is safer for children and pets, with blinds enclosed behind a layer of tempered safety glass.

# WHY ODL

From the creation of the first doorlight on record in the early 1950s, we've been committed to building value through innovations in materials and manufacturing processes. We also build value into our products through research and design. ODL knows trends and technologies that produce products for the times-and sometimes designs that push the times. We aren't afraid to be the leader. When you buy from ODL you are buying from more than just a manufacturer. We've done the research and spot the trends so you can trust that you are not only receiving a well-built quality product, but one that will meet your needs.

# DOORGLASS FRAMES

For nearly 80 years, ODL has been manufacturing top-rated doorglass framing systems, and we offer the widest array of doorglass frame styles, colors and materials in the industry to meet specific needs.

## INNOVATION

ODL continues to reframe innovation and design with ZEEL®, a sleek, versatile frame that eliminates the need for screws and screw hole covers with an innovative clip system. Resolve® Sealant eliminates messy wet glaze and won't degrade over time.

## DESIGN

Whether you choose to highlight a specific architectural style with our Spotlights® line or want the sleek, minimal look of ZEEL, ODL has the right frame to complement your design choice - classic craftsman or contemporary or somewhere inbetween.

## PERFORMANCE

Rigorous third-party testing assures that product performance meets design intent. ODL frames are tested to meet and exceed the North American Fenestration Standard (NAFS) for doors, including structural integrity, resistance to water penetration, air leakage and forced entry.

**WHY ODL DOORGLASS FRAMES**

# IMPACT RATED DOORGLASS

ODL Impact Rated doorglass is designed for hurricane-rated doors, especially for homes in wind-borne debris regions or high-velocity hurricane zones (HVHZ). Our impact rated products meet wind-borne requirements in areas where wind speeds can exceed 180 mph, Design Pressure (DP)  $\pm 66$  psf, and wind and missile impact code requirements. Our flat profile frame with laminated impact rated doorglass is certified to meet Florida Building Commission codes. Please go to [odl.com/impact-standards](http://odl.com/impact-standards) for the most updated product certifications.

## MISSILE IMPACT TESTED

The Level D missile impact test involves firing an 8-foot long 2"x 4" at 50 feet-per-second at designated spots on the doorglass and door slab. The entire unit must remain intact through 9,000 pressure cycles, and also pass water-infiltration, structural loading, and forced air-infiltration tests.

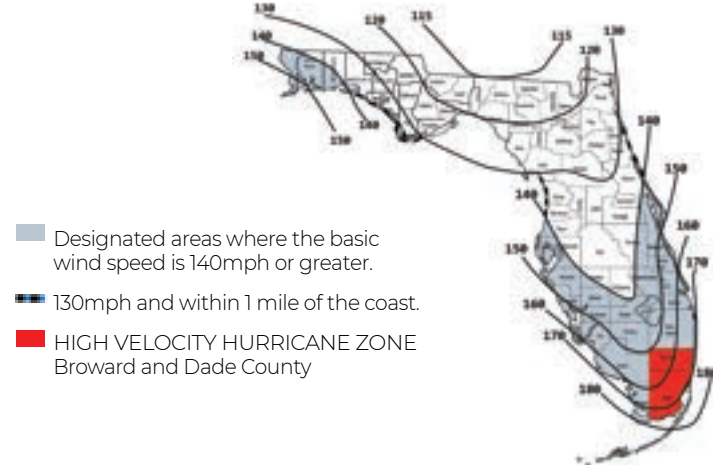

WHY ODL IMPACT RATED DOORGLASS

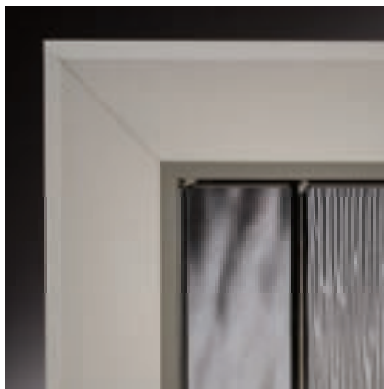

0.125" Glass Panel  
 0.09" PVB Interlayer  
 0.125" Glass Panel  
 Decorative Panel  
 Tempered Safety Glass

FLORIDA WIND-BORNE DEBRIS REGION FOR RISK CATEGORY II BUILDINGS

ALUMINUM FLAT PROFILE FRAME

TEXAS DESIGNATED CATASTROPHE AREAS

IMPACT RATED LAMINATED GLASS

ODL Decorative Doorglass, Blinds, and Grilles are sealed between IMPACT RATED LAMINATED GLASS on the exterior, and TEMPERED SAFETY GLASS on the interior.

FLAT FRAME PROFILE OFFERS STRENGTH AND QUALITY

- Flat profile for a wider range of architectural applications
- Low 3/8" profile
- Longer screws reduce potential strip out
- Flat screw hole covers install flush to frame
- White powder coat finish on aluminum frame can be painted
- No shop-related Dow 995 application required
- Meets Florida impact rated design pressure requirements +66 psf, per Florida Component Approval FL14935
- Product certification information available under:  
 Florida Building Code approval FL14935.1, FL14935.2, FL14935.3, FL14935.4  
 Texas Department of Insurance approval DR-557, 625, 633, 634, 691, 692

ADDED VALUE OF NOISE SUPPRESSION

ODL IMPACT RATED DOORGLASS provides you with a quieter solution over storm shutters: they carry a sound transmission class rating of 37 dB for a level of sound suppression that is welcome year round.

Third party test reports are available at: [odl.com/stc](http://odl.com/stc)
